Teocali was established in 2006 and is centrally located in Kansas City in the Hospital Hill District. The restaurant is a vision of founders, Chela Gutierrez and her son Enrique, of bringing truly authentic Mexican cuisine to the Kansas City metro area. Many times, authentic Mexican recipes are changed in the United States to entice a wider customer base. However, at Teocali, we use the same recipes that have been in our family for generations. So, when you dine with us you'll always be confident that you're eating authentic Mexican food.

Gracias,  
The Gutierrez Family
